This is a personal design of Meredith's and there are a couple of samples in the store to take a peek at. Drunken Geese block is a foundation paper-pieced block of triangles "flying" in a quarter circle. Meredith calls it the "Drunken Geese" block because it is a cross between

Drunkard's Path and Flying Geese. Most designs that incorporate curved flying geese are in a medallion setting and involve sewing curved seams. Drunken Geese can also be used in a block setting and involve sewing only straight seams. This class is suitable for confident beginners. This workshop will have two parts.

In the first part we will practice piecing a basic Drunken Geese block (7" sq. finishes size). Your foundation papers will be provided.

The second part will cover different setting ideas for the blocks and an exploration of drafting both the basic and more complex Drunken Geese blocks.

CLASS POLICIES

Class Registration - Taking Registrations Now: Nothing stops a good class or workshop from happening quicker than if everyone waits until the last minute to register.

We request that our customers enroll in a class at their earliest convenience. This insures that you have a spot in the class, instead of coming to sign up later and having the class filled or cancelled due to lack of interest. It also insures that the class will be held, as each class is assigned a minimum number of students needed to hold the class. If the minimum is not met by a certain date, the class will have to be cancelled. You might have been the one person that was needed to meet the minimum enrollment requirement. Full payment for classes is due when you register. At that time you will be provided with a supply list. You will receive a full refund if the class is cancelled. If you are not able to attend a class, you must give a 5-day notice in order to receive a store credit. Credit will not be given for no-shows or cancellations less than 5 days before the class. Class sign-ups are taken in the store or over the phone with a credit card. If you sign up over the phone, please send a stamped self-addressed envelope and we will send you your receipt and the class supply list. Please keep in mind when you come to a class that some people are very sensitive to perfumes; so we ask that you refrain from wearing perfume the day of the class. We also request that when you come to class you bring your sewing machine in **good working order and bring your manual**. Remember that the classes are for you, and accommodations for children and visitors are **not available**. **Copyrighted Books & Patterns - Each student must purchase the required books and patterns for each class.
